## Ensuring Happiness In Every Home!

Ever since our inception in 2005, we have been charting new territories of design excellence for our product portfolio to ensure happiness for our customers. At Butterfly, we believe in combining research & development with deep consumer insights that result into innovation at every stage, every day. From design board to delivery van, we make sure our products meet the highest standards of precision, quality and aesthetics. For that, we have an in-built system at every stage of production which carefully keeps away even the minutest chance of error.

Our state-of-the-art production assembly at the bustling industrial zone of Metoda near Rajkot is an epicenter of innovation. Equipped with the latest generation of machinery, equipment and a highly qualified team of industry professionals, this assembly churns out a versatile range of products that is stamped with our quality assurance. An ISO 9001:2008 accreditation is an evidence of our penchant for perfection while our frontrunner position in the market is another proof that we have succeeded in winning more hearts out there than any other competitor brands.

With this catalogue we are delighted to present you a whole new world of fascinating Butterfly products that is designed to delight you – without fail!
