Butterfly[®]
as natural as butterfly

exclusive Bathroom accessories

company profile

Ever since its inception the Butterfly brand has diligently kept on redefining the benchmarks of urban way of life. By consistently delivering the newer version of lifestyle metaphors for today's connected consumers, we have led the trend not only India but also across its borders. Today, we present this ensemble of aesthetic which will give you scope to select the best products for your home, office or public places. Butterfly brand of AISI 304 Stainless Steel Accessories comes with the hallmark of perfection as our manufacturing facility boasts of having the latest generation of testing, production, finishing and quality control equipment. A highly professional team of skilled manpower managed by an experienced set of leaders ensures the optimum levels of creativity in design, perfection in production, and promptness in delivery.

In order to remain in the eyes of our valued clientele, we continuously engage ourselves in research and development in addition to the periodical checks about market trends. Our unique expertise in this field enables us to anticipate the changing world around us and inspires us to craft the next batch of awesomeness for our customers. Thanks to a strong and dedicated network of distributors and dealers, we have expanded our reach to a highly versatile mix of consumers who trust us for redefining their personal moments. Every day!
